

DAN BANK

Model No. 2520

DESIGN WOLFGANG C. R. MEZGER

Wolfgang C.R. Mezger has effortlessly transferred the advantages of the DAN shell chair to the DAN bench, creating a piece of furniture that is unique.

The seating comfort is achieved by the softly padded backrest and an additional seat cushion. Different lengths provide enough scope for design.

Nothing will stand in the way for casual get together at the dining table.

2520 DAN BENCH
