2059.2 DEXTER

Design Gino Carollo 2021

Shell chair with leather and/or fabric cover, star base, rotatable

As if it was walking on tiptoe - that's how graceful the DEXTER appears with its new star base.

The DEXTER model has developed into a diverse product family. The series is complemented with two new base options. In addition, there is the possibility to combine seat shell and back in different colors or materials: leather, fabric and leather/ fabric mix.
