

# DEXTER BAR

---

Model No. 2086

## DESIGN GINO CAROLLO

A new addition to the DEXTER family introduces itself: The DEXTER bar stool. With its sweeping contour, it is formally rather independent and the center of any room. Here too, the indispensable attributes provide a casual look: incomparable drapery, ultra-soft, fine leather or fabric or cover combinations. Thanks to the use of four different fabric collections, we offer now even more design options, leather and fabric combined or completely in one material.

The choice is yours!
