### **F2-FRANKFURTER SCHRANK - VERTIKO**

Writing desk

Design Norbert Berhof, Michael Landes, Wolfgang Rang 1986

Frankfurt furniture collection comprises writing secretaries, cabinets, chairs, dining tables, sideboards and standing desks out of birdseye maple, ebony, bruyère, grained root wood, solid maple, bubinga, Lasa marble, Verde Speranza, Bahia Blue granite, brass and leaf gold.

Vertiko F2 stylistically resembles F1, other architectural elements are, nevertheless, cited here. When closed, the cupboard has a tower-like appearance which is reminiscent of a tall building. The open doors reveal an interior which resembles an early Christian Romanesque apsis. Biedermeier references interchange with Art Deco elements and Medieval motifs. The cupboard is limited to 100 and each item is dated and numbered.

Vertiko F2 was included in the following museum:

- Museum für angewandte Kunst, Köln, 1987
