1062 PRIMUS

Coffee- and side table
Design Peter Draenert 1968

May a classic in furniture history be modified? Yes, it's allowed – because also the round version of the PRIMUS table is a real eye-catcher. The bent skid base is the perfect counterpart to the round table top. Available in various heights, it is possible, e.g. to combine two tables as an ensemble.

FURTHER INFORMATION: e.g. dimensions and material variants see "data sheet"
