

TRILOPE

Model No. 1540

DESIGN

The model Trilope has inspired the designer Mezger to LOPE. Solid high-quality materials achieve a perfect result: the table top, made of natural stone, offers plenty of space and offers the perfect basis for table conversations due to the soft rectangular shape. The table legs are made of strikingly profiled solid wood, which ensures a maximum of stability. The base and the table top feature a perfect aesthetic alliance and appear like a captivating and compelling sculpture in a room.
