

1365 QBIC OUTDOOR

Design Patric Draenert 2014

Coffee- and side table of natural stone

Pure symmetry – comfortably designed. The QBIC combines fine craftsmanship with a timeless design. It appears like a solid stone sculpture. The edges of this cube are perfectly crafted – box frame construction mitered, glued, sanded and brushed to a leathered finish. Due to the natural figure of the stone, the stringent side table obtains its attractive playfulness. The recessed rollers allow effortless moving to the desired position.
