1224-II ADLER CONFERENCE

Conference table
Design Patric Draenert 2018

Functionality and straight design, as required for conferences, are perfectly combined with a comfortable and prestigious ambience. The desired dimensions of 1.6 m x 4.5 m could be obtained by means of a two-piece stone top. The table is equipped with the latest media technology and depending on the kind of use, the technical equipment can be completely concealed.

The legendary stone park offers 150 different types of natural stone from all over the world. The customer selects his slab and determines the cutout from which a unique DRAENERT piece of furniture is made. Patented technology makes enlarging child's play.
