

FONTANA

Model No. 1460

DESIGN GEORG APPELTSHAUSER

A new generation of extendable dining tables. FONTANA combines the uniqueness of natural stone with the experience of an innovative synchronous mechanism. Unfold the table to a banquet - effortless and apparently magical. DRAENERT typical - the expressive, trapezoidal table top adds the finishing touch. The FONTANA has received four awards! The collection is complimented by a fix top version.

FONTANA - Four times awarded
