## DESIGN GINO CAROLLO

The NOBILE BENCH combines the most important attributes, which also stand for the chairs of the complete NOBILE series: high sitting comfort and delicate appearance. Handcrafted to perfection, the bench convinces by its length of a maximum of 280 cm. The side walls round off the NOBILE BENCH perfectly, providing sufficient legroom and adapting to plenty of configuration options. The upholstered seat and backrest ensure a relaxed time at the dining table.
