

COLIN

Model No. 1325

DESIGN STEPHAN VEIT

A coffee and side table with character. The COLIN skilfully plays with horizontal and vertical lines. The tabletop made of natural stone can be used alone as an eye-catcher or combined with a second level made of gray colored glass. It disappears discreetly in the round frame made of coated metal and makes the table look light.

	Model type	Frame bent steel sheet coated black	Size W - L - H approx. in cm
