1388 SURF

Coffee table of natural stone
Design Hakakian & Harper 2023

The SURF offers enough space for all the things you need on the sofa or sitting area. Despite its size, its organic shape fits charmingly into any interior.

The dynamic curves are emphasized even more by the grain of the natural stone. As a pair, together with the oak finish and their great wood grain, the two are unbeatable and a real eye-catcher.

FURTHER INFORMATION: e.g. dimensions and material variants see "data sheet".
