## DESIGN WOLFGANG C. R. MEZGER

Anyone looking for a particularly sculptural, but filigree side table will love the awesome TRILOPE: It radiates calm with its striking presence, but at the same time surprises with its seemingly moving base. The furniture composition by designer Wolfgang C.R. Mezger is available in versions, where the materials natural stone and aluminum in a gold anodized surface enter an exciting dialogue. It attracts all attention. A strong statement in the room.
