

TADAO III

Model No.

DESIGN DR. PATRIC DRAENERT

Hospitality has a name: TADAO. This round dining table of natural stone has a rotatable inner plate. The cone-shaped base, which is painted to match the table top or covered with leather, can easily carry large diameters. The TADAO achieves a certain lightness with the decorative stone ring at the base. This table gives a stylish flair to prestigious rooms.

AVAILABLE IN THE FOLLOWING MATERIAL VARIANTS:

Stone Stone
