Design Wolfgang C. R. Mezger 2017

The soft rectangular shape of the LOPE table offers the perfect basis for table talks. The table legs are made of strikingly profiled solid wood, thus ensuring a maximum of stability. The base and the tabletop feature a perfect aesthetic alliance.

The legendary stone park offers 150 different types of natural stone from all over the world. The customer selects his slab and determines the cutout from which a unique DRAENERT piece of furniture is made.
