

VICTOR OUTDOOR

Model No. 1470

DESIGN WOLFGANG C. R. MEZGER

The archaic VICTOR is rustic and graceful at the same time. The steel H-beams with its significant screw connections was treated with a special anti-corrosion process. This is how VICTOR enriches the staging of your outdoor living area. Everlasting natural stone does the rest and ensures durability and natural beauty. Forever.

Please indicate in your order:

When ordering, please indicate that it is the **Outdoor** version.

Note:

Some components of the table are adapted to the requirements for outdoor use.

* 280 cm length of the top: please check availability beforehand.

Description:

Black steel is black, scale-covered, crude steel - as used in the construction sector. As the surface is not ground, the beams show the typical signs of wear and tear like scratches, scrapes, dents, stains and signs of corrosion etc. Please kindly consider these material-related conditions.
